UN General Assembly Suspends Libya's Human Rights Council Membership
Press Statement
Hillary Rodham Clinton
Secretary of State
Washington, DC
March 1, 2011

The United States applauds the move by the UN General Assembly to suspend Libya’s membership rights in the Human Rights Council in Geneva. We continue to demand an immediate halt to the violence perpetrated by the Qadhafi government against its own citizens. The General Assembly today has made it clear that governments that turn their guns on their own people have no place on the Human Rights Council.
